Re: Missouri Valley Fire Station  
OPCE Project No. 10053

Dear Mayor and Council:

The purpose of this letter is to confirm that the design of the new fire station building, proposed for the City, will incorporate all of the latest State energy standards. All current building energy codes will be complied with so that the project will be energy star qualified.

Please let me know if you have any questions or desire additional information.

Sincerely,

OLMSTED & PERRY CONSULTING ENGINEERS INC.

James J. Olmsted, P.E.
